

Keystone League Secretaries,

The local award applications are automated weekly from Keystone to our office. Please let me know if your league is fine with everyone getting awards or send me a list of the bowlers in your league that **DO NOT** want these awards. Let me know as soon as you can. I will wait on processing any further local awards until I hear back from you. Appreciate your help.

FYI, Honor awards are completely different and we will process those as soon as we receive them.

YES, please send all of our bowler's awards.
