League Secretaries,

What a trying year we have had. It seems that some centers are opening up limited lanes to have a summer season. If you plan on certifying your summer league, please submit the following items to us:

- **USBC League Certification Application form**
- **SLAC Dues Worksheet with any applicable payment by check**
- **Completed USBC membership cards**

If you need blank pre-printed cards, please let me know and I will mail them to you. I did drop off some cards last year before the pandemic shutdown. All of that paperwork is still ok to use. The only main difference is that our office address has changed.

When submitting your membership cards, please pay with a check (bowling center or league secretary only) when possible and make sure to use the **DUES WORKSHEET** form with each submission. Updated rosters will be emailed to you with each payment transaction (unless you request hard copies or do not have email). Please separate and sort your membership cards into paid cards, paid other league cards (POL), transfer cards, etc.

Membership cards are due within 30 days from the start of the league or when the person joins the league – **SUBS INCLUDED!** Our bowling centers are close with Orange County and North LA County so be sure to check if the bowler needs a transfer card. We need membership cards filled out for everyone in every league to build the league rosters even if they already have a card that they received through another league. Not only is this a transactional record, it also captures any address, phone or email changes as well. Don't hold on to the cards waiting for stragglers. It might cost someone a 300 or 800 award.

A couple of new rules came into affect with the new season. Please see the flyer enclosed. Also, rulebooks from the 2019-20 season are valid for 2020-21 as there were no rule changes. The rulebook can be downloaded electronically from our website if you don't have a copy.

Contact us directly if you have any questions. Please mail or drop off your paperwork at the new bowling office (Lakewood) in the mail slot. The office is currently closed for walk-in business. If you need to make an appointment, please email us at [info@slacusbc.com](mailto:info@slacusbc.com).

Visit us online at [slacusbc.com](http://slacusbc.com) to check out association and tournament information. You can print any of our association forms and tournament entry forms directly. Thank you for your support to this organization and we will see you out on the lanes very soon!

Lynn Matsubara  
SLAC USBC Association Manager
